The 11th century is the historical period in which the Grand Countess Matilde di Canossa lived, one of the most important figures of the Italian Middle Ages in the Reggio Emilia area. Ludovico Ariosto stayed in this Canossa Castle's room and it is here that he got the inspiration to write the Orlando Furioso.

**SKAY & WOOD**

**STANDARD SKAY COLOR RANGE  
(OTHER COLORS ON REQUEST)**

For washing and technical areas BEAUTYSTAR suggests the use of dark skay. The company does not guarantee the skay's resistance to dye stains. TIPS: wash with a non-abrasive sponge soaked in water and neutral soap. Remove the lacquer stains with soap and water or alternatively use the appropriate Softasept N® detergent.

WARNING: never use alcohol, benzene, bleach, solvents, chemical detergents or polishing sprays. Remove dye stains immediately! The longer the time the dye remains on the skay, the less the chance to thoroughly clean the skay itself: the dye damages it for as long as it remains on its surface. Do not accommodate customers who wear dark denim fabrics (jeans) on armchairs and shampoos covered in light skay. Alternatively, make customers wear a white coat. Denim stains cannot be removed without damaging the skay.

On the finished product, the color tone may slightly differ from the sample.
